

22.2.21

Dear Parents and Carers

Message from Mrs Rawlins – 22.2.21

I hope that you were able to have a good half-term break last week and that this finds you all well. Just a few things from me today, as we start the second half of the Spring Term.

Daily learning on eSchools

Teachers will continue to upload video teaching clips and work onto the Year group Daily learning pages on eSchools. They will also post a weekly overview timetable, which will include a brief note about the learning focus for each lesson for English, Maths and Topic work. We have also included a daily wellbeing 5-a-day.

Submitting work to teachers via Seesaw

It has been lovely to see lots of work coming in this morning on Seesaw. Please do try and send something in by the end of Tuesday if you can, as then we can identify any support which may be needed to help you start using Seesaw (a photo or a piece of work would be lovely!).

NSPCC virtual assembly

The Local Education Authority has asked us to let you know about a live virtual assembly at 10am tomorrow morning from the NSPCC. The assembly is aimed at primary pupils and will cover coronavirus-related worries such as children not being able to see their family and friends, changes in daily routines, experiencing new feelings and spending more time online. Further information from the NSPCC is as follows:

'The NSPCC will broadcast a live assembly on Tuesday 23 February at 10:00am via [our Facebook page](#) (click on the link to view the assembly). We hope we can remind children that they don't have to just carry their worries with them – they can always speak to someone they trust if they're feeling sad, overwhelmed, or unsafe. The assembly will feature TV presenters Ant and Dec, as well as comedian and author David Walliams. Do try to watch, and also spread the word about it/share it among any parents or carers that you know.'

Please do get in touch if we can support you with accessing remote learning or submitting work using Seesaw. Wishing you a good week!

Kind regards
