

**What do we think of our local area? Feedback for our School Council meeting with Councillor Hilary Cox-Condron – November 2022**

**Things we like...**

- Park, Rainbows, Beavers, Kinnerz football
- Arbury Court play area
- Meeting new friends in our local area
- Budgens
- Our school and the field
- River Cam
- Play areas
- Nice staff at Arbury Court library, good range of books
- Histon Road park
- Shops at Arbury Court – nice people working in the shops
- Being able to climb trees
- Lots of natural areas
- Good food options at shops
- Lots of places to ride bikes and scooters

**Things we would like to change or improve...**

- People don't pick up dog poop
- Lots of litter and graffiti in play areas
- Vandalism
- The zipline seat has gone
- People swearing at Arbury Court
- An intimidating group outside Campkin Road Tesco and also in Arbury Court play park
- Littering – add more bins
- Extend library so that it can have more books and learning resources
- Road works
- Fix broken park equipment
- Need a wider variety of shops. Somewhere to buy children's clothes would be good
- More play areas
- Plant more trees to help wildlife
- Too much construction work means more traffic

**Arbury Court library...**

- I would like to go
- We are going to go as a class soon
- Sometimes there are storytellers, which are great
- It's a quiet place to read
- It's quite small
- I didn't know that it was free to go to the library. I thought you had to pay
- I prefer going to Milton Road library because there are nicer areas to read in
- I don't know where it is
- We just don't really use libraries any more

**Traffic...**

- Should be less cars
- We need traffic lights near school
- Too many cars near school and it's hard to cross the road
- Less diesel (pollution)
- Lots of congestion
- We like the lollipop lady. She helps us to get to school safely
- Lots of cars when I am walking to school
- Parking on pavements because not enough spaces
