

Dear parent/carer,

Does your child spend time exploring online?

The internet is a great place for children to learn, create, chat with friends and family, access information or support and explore fun apps, sites and games. But exploring comes with risks, so it's vital we know how to keep them safe online.

That's why we'd like to invite you to join our FREE workshop: 'Keeping children safe online'.

Our workshop will:

- Help you understand how kids experience the online world
- Show you resources and tools that could help keep them safe
- Empower you to guide them on their journey

For: parents, carers and family members (this workshop is for adults so please arrange childcare if possible)
