Dear Parents and Carers,

### **Early Years Half Termly Curriculum Information Letter – Spring Term 1 2025**

It has been wonderful to welcome the children back to school and we are excited to see them continue to grow and learn this term.

#### Learning Theme

This half term, our learning theme is 'Animals.' We will be learning about animals and their habitats with a specific focus on animals that live in the Savannah, Polar Regions and Oceans. To find out more about what we will be learning this half term, please see the curriculum overview letter.

#### Belongings

Thank you for making sure your children have the correct, **named** belongings. If they don't have them in school already, please send a named **waterproof** with hood, named **welly boots and either waterproof trousers or a puddle suit**. We will continue to play outside and visit the forest area even when it is wet and cold. Please make sure everything is named – including gloves! It is very difficult to reunite belongings with their owners when they are not named.

#### Supporting Learning at Home

Thank you very much for recording your child's reading in their diary. We love seeing what you have enjoyed reading with your child and what they have read to you. You may wish to include other books you are reading in their diary – library books, books from home etc. Please continue to read and record (at least!) five reads in your reading diary each week. Book bags need to be in school **every day** as your child will be able to change their sharing book. Each week, we will check your child's diary and if they have 5 or more reads, they will receive a special sticker. Your child will become even more confident with their reading this term and it is so important to encourage and value their efforts at home. If you would like more support with reading at home, please speak to your child's teacher or visit:
