

Creative – Art / DT

- Draw/paint a picture of the seaside.
- Create a papier-mâché creature that would live at the seaside/in the sea.
- Sketch a shell that you have found.
- Make a collage using shells or pebbles.

Science / Research

- Use maps to locate seaside towns in the UK.
- Find out about a seaside town in another country.
- Research animals that live in a coastal or ocean habitat.

Y2- Summer 2

Seaside

You may wish to take time to complete a project at home this half term. Here are some possible starting points, or you may have an even better idea for a project.

If you have completed a home learning project, please bring it into school so you can show the class!

Your own idea:

Do you have your own exciting idea for a project?

Writing

- Write a story or postcard about a day at the seaside.
- Write about a time when you have visited the seaside.
- Create a fact file about a seaside town.

Maths – Time, Data, Shape etc.

- Collect data about favourite things to do or see at the seaside.
- Research how long it would take you to get to different seaside towns.
- Create a seaside picture using entirely 2D/3D shapes.
