

Y4 - Summer 2 -2022

Our theme for this term is
Animals

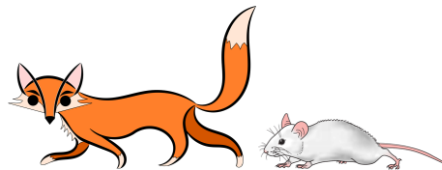

You may wish take the time to complete a project at home this half term. Here are some possible starting points, or you may have an even better idea for a project.

Once you have completed your project please do take a photograph and send it to your teacher via Seesaw so that you can share it with the class.

Art / DT

Make a model of an insect.

Create a collage of a butterfly or moth using different techniques.

Science / Research

Choose an animal (bird, reptile, mammal or insect) found in Great Britain and create a fact file.

Are all animals' teeth the same? Are the teeth of herbivores, omnivores and carnivores all the same? Create a poster to explain your findings.

Your own idea

Do you have your own exciting idea for a

project? You may wish take the time to complete a project at home this half term. Here are some possible starting points, or you may have an even better idea for a project.

Once you have completed your project

Creative Writing

If any mythical creature existed (unicorn, ewok etc.) which one would it be and why? Create a story of your discovery of this animal and how to peacefully bring it to the world's attention.

Read a book based on an animal and write a review and send it to Mrs Dowdall.

Maths

Create a branching data base to identify five living things (including plants).

Find out what the Fibonacci sequence is.
