

Y3 - Autumn 2 - 2023

The theme for this half term's
home learning project will be

Forces and Magnets

You may wish to take the time to complete a project at home this half term. Here are some possible starting points, or you may have an even better idea for a project.

Please bring your project into school upon completion so it can be shared with the class.

Creative - Art / DT etc

- Design and make a toy or game using magnets
- Find out how to make your own compass
- Could you make up a magic trick using a magnet?

Creative Writing

- Write a report explaining how magnets work and what they are used for
- Write an acrostic poem about magnets

Science / Research

- Research different types of magnets
- Find out about the magnetism of the Earth
- Find out about which materials are magnetic

Your own idea

Do you have your own exciting idea for a project?

Maths

- Write your own word problems about magnets and solve them using column addition
