

Speak out. Stay safe. Information for parents and carers

3.3.23

Dear Parents/Carers

RE: NSPCC's *Speak out. Stay safe.* online programme

On Monday 6th March, we will be participating in the **NSPCC's *Speak out. Stay safe.* online** programme. We will be watching a short online assembly in KS1 (Years 1 and 2 – EYFS are not included) and KS2 (Years 3-6) groups. *Speak out. Stay safe.* is a safeguarding programme available to all primary schools in the UK, which aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly, age appropriate way. Children are taught to speak out if they are worried, either to a trusted adult or Childline.

We have studied the content of the materials and are extremely confident that they are appropriate for primary-school-aged children. By the end of the programme, we're convinced children will feel empowered – knowing how they can speak out and stay safe.

If you would like to know more about the *Speak out. Stay safe.* programme you can find information on the NSPCC website www.nspcc.org.uk/speakout.

Other resources you may find useful:

Activities for children at home - Keep busy while learning about staying safe and speaking out with our at-home activities for primary school children. These are hosted on the NSPCC website www.nspcc.org.uk/activities.

Online safety hub - You may also like to visit the NSPCC [Online Safety Hub](http://www.nspcc.org.uk/online-safety) where you will find advice and information on a range of different online safety topics including gaming, social media, sharing nudes, parental controls and more.

You will also find online safety information for families of children with additional needs and disabilities. We have worked with Ambitious about Autism and parents and carers who have children with additional needs and disabilities to create activities to help talk about online safety which you can find at www.nspcc.org.uk/keeping-children-safe/online-safety/online-safety-families-children-with-send.

Childline Under 12's Website - Childline also have a website with age appropriate advice for primary school children on topics such as bullying. It also has games and other interactive tools. Your child can visit it at www.childline.org.uk/kids.

The Childline website has an accessibility tool too, you can find out about it by clicking on the accessibility link in the Get Support menu. Children can use it to:

- Read the website out to them
- Change the text size and font
- Change webpages to just text only
- Add a mask or ruler to help them focus on just part of the page
- Magnify parts of the webpage
- Translate the website in to over 120 languages

Talking PANTS with your children - Talk PANTS is a simple conversation to help keep children safe from sexual abuse. From P through to S, each letter of PANTS provides a simple but important message that can help keep children safe. You can find out more and download the free resources at www.nspcc.org.uk/pants.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website www.nspcc.org.uk/parents.

Kind regards

Diane Rawlins
Assistant Headteacher
